SEXUAL ETIQUETTE

seduced

We had a system worked out so that we worked hard through the week that when Friday came, we could work maybe a couple hours and be done.

When I was in high school, I never really applied myself. A couple years after I graduated, I started working with the school's maintenance man, James. We would fix things around the school, like lockers, faucets, broken desks and stuff. On occasion some of the teachers would stay late, and I got to know most of them pretty well. James also seemed to like my work.

Thursday afternoon James and I were almost finished when James somehow cut his hand really bad. I wasn't with him at the time but I heard him yelling my name and I came running. I took him to the hospital immediately. On Friday I got called into the office for a message from James saying that he would not be able to work and that I would be on my own, and to lock down the building.

The office clerk, looked me as I finished reading the note and asked if everything was alright and if I would be able to get everything done without James. I told her I thought so but she said she would stay and help if that would be okay and I told her it would. After classes ended, I met with Ms. Morris and told her what we had to do. I quickly checked the building to make sure everyone was gone and locked all the doors. Then me and Ms. Morris went to work. We finished in a little over three hours. We sat in the teacher's lounge and snacked and talked and laughed. She said her husband was out of town and would not be home for another week. As we talked, Ms. Morris kept touching me, and laughing at every little thing I said, even if it was not funny. Then, out of the blue she asked if I had a girlfriend. I told her no, that I wanted to play the field.

She then said she wanted to reward me for the hard work I have always done but I would need to keep the reward a secret and never ever tell anyone. I promised her and waited for my reward not knowing what she was about to do. She then asked

me if I ever seen a woman naked? I told her only in pictures.

She then asked if I wanted to see her naked and I thought for a minute and said 'yes.' She stood up and removed her skirt and her top. She was not wearing any bra or underwear. She had a dark bush and her nipples were sticking straight out. She sat down on the sofa in front of me. By now, my pecker was hard as a rock. She then said I should take off my clothes as she had more to show me. I did not think twice and stood up and took off my clothes, my cock standing straight out.

She was smiling really big and then leaned over as I stood there and took my cock into her smiling mouth.

Within a few seconds I thought I was going to fall down so I told her to stop. Then she laid back and spread her legs wide. I could not stop staring, my cock was getting even harder, if that was even possible, and it was dripping all over. She asked me what I thought about what I was looking at. I told her it was very, very pretty. Ms. Morris said she was glad to hear that as her husband never compliments her. She then pulled me on top of her, and guided my cock into her pussy. I really like the way it felt. Once I was in as far as I could go my cock exploded and I filled her pussy full of my jizz.

She laughed and said that was the most amazing feeling she had ever had. She then noticed that my cock was still hard, she told me to fuck her which I did till I came again. We stayed up there till six in the evening, and then went to her house and I stayed the night.

We fucked all night and most of the weekend. I could not get enough of fucking her. I went home Sunday night and Monday morning we had to act like nothing ever happened. I never got to fuck her again but she taught me more about women than I had ever known and I was very much thankful for that. And to James for the accident... Still love ya.

BLAIR-NTS-03

we're on a break

This summer, I was on spring break with my new wife, Carrie. We were in Gulfport – out to dinner with some college friends, Mario and Toni, and after several bottles of red wine we were all feeling a little tipsy, and a little friendly. We went back to their hotel room to poker and watch TV. We played a couple hands and my wife, Carrie, won both of them. Then Toni suggested we play strip poker. Carrie and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands, she felt quite confident.

I knew Mario had eyes for Carrie, and I kinda had a hard-on for Toni, so I was all for it. Toni dealt the first hand and Carrie won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and some of us were down to our civvies. I had on a T-shirt and boxers; Carrie was in her bra and panties; Mario was just in boxers and Toni was in bra, panties and she still had her skirt on.

It was now my deal. We were drinking and laughing as bets were made. Mario won and I dropped my shirt, Carrie her bra, and Toni stood up and started a little dance as she began to undo the fasteners on her shirt. All of a sudden Carrie got up and started to help her. She reached down between Toni's legs and pulled the panties off of her. Throwing them over to me, I caught them and twirled 'em around, egging the girls on. As Mario and I looked on, they started kissing each other and Toni reached over and pulled off Carrie's bra and then pulled down her panties, throwing them to Mario. She then gently pushed Carrie onto the table and grabbed her knees to spread them. She lowers her head into Carrie's crotch and begins to lick her. All three of us watch as she licks and sticks her fingers inside my wife's wet pussy.

I get up first and position myself behind Toni. I drop my boxers and slip my cock inside her as she continues to lick Carrie. Mario saunters over beside

Carrie and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Mario and I grab a couple of the wine glasses from the table and toast each other over the girls. Toni then stands up and pulls me out. She seats herself next to Carrie on the poker table and motions me to continue fucking her as she opens her legs and gets into position for my cock. Mario takes advantage of the change and moves around to drop between Carrie's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I fuck his.

All of a sudden Mario gets up and lays down on the table. Carrie proceeds to rub him back to hardness. Her mouth works on his cock and he's finally hard again. I'm still fucking Toni and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the table. Mario seems to have made a miraculous recovery and Carrie brings him to climax taking his jizz in her mouth and then spitting it into a wine glass.

banker bang

It seems that both of our friends have cum so Carrie and I are left to finish off ourselves. She grabs me by my stiffie and pulls me to the bed. Immediately she sits on the bed and pulls my cock into her mouth. She works it like a pro and then leans back and guides it into her damp pussy. I can't resist banging her as hard as I can and we end up fucking our heads off.

In the morning we called our friends to see how they were. Toni says they are both fine and had a great time last night. We agreed and said that we should do it again next time we spring break. I think we're going to plan another trip here next month.

– Mario, San Antonio, TX

Who would have thought my best sexual experience would be in a bank branch just off campus where I work part time. After closing one night, I was cleaning the banking floor as normal when I hear someone upstairs, so I went up to see what was going on. I walked down a hallway to the far office and to my surprise, there was the manager Mrs. Wade laying on the couch naked, sliding a dildo in and out of her pussy. She is a good looking woman – early forties, nice 34-D boobs. She was oblivious to me watching her. I stood there several minutes, my cock stiffening. Suddenly, she noticed me standing in the doorway and without hesitation said why don't I come in. I didn't think twice and went over to her. She sat up and undid my pants and slid them down taking my cock in her mouth sucking on it, making it even harder.

Mrs. Wade laid back on the couch, legs wide open, and in a second I was naked and between her legs and slid my cock into her until all of it was up her hot wet pussy. I plunged in and out of her, banging my balls against her soft ass cheeks. She wrapped her legs around me and was bucking against me as she was cumming. I was inside her, banging her until I shot my load of juice up her fucking soaking wet pussy until I went limp. After catching our breath, we both got dressed, she went home and I finished cleaning the offices.

Everything went on as usual for about a week until one evening I saw she was working late and she was wondering if I eat pussy as good as I fuck. I said, well there is only one way to find out. She wants to find out. She did not mince words. She said she'd be off tomorrow, come over to her home after nine. She

And my husband got ready to do me doggy style. But, remember, Ginger and I were still in a hot sixty-nine. So while Jerome's cock was entering Ginger's sleek pink pussy, it was right in my face!

When I came, it was like getting hit by a truck! Those two cocks just kept pounding my two holes and I just kept cumming and cumming. And it must've been good for the guys, too...

gave me her address and insisted that I be right on time.

The next morning I was with her in the bedroom. Both of us naked. I went down and ate pussy, nice and plump and pink, licking and sucking her clit over and over until she was cumming. I slid my tongue in her pussy and she was moaning and pushing her pussy against my mouth. She whispered that she was ready for me, and my cock. I worked my way up over her body as my cock found it's target. I had her legs over my shoulders, thrusting into her. As I fucked her, I had her stretched out in the wishbone and pounded that cougar pussy the whole day. The bed rocked back and forth, her loud moanings were the only sounds in the place. She let out a moan and said 'fuck me harder.' I was more than happy to do so, taking her legs over my shoulders and shoved my cock deep into her, fucking her, pounding her, her boobs bouncing.

Her pussy tightened around my cock as she was

cumming again and she said 'don't stop.' I didn't until I exploded and filled her pussy with my cum and then went limp. But Ms. Wade still wanted to fuck some more. She sucked my cock hard again, straddled me and we fucked until we both came again.

Everytime we have sex, she says she's in paradise and lays there with her mouth open and her eyes rolled inside out. Sometimes she tends to doze off with my dick still inside her. She tells me it feels so good, she can fall asleep during intercourse. But somehow we still manage to have the best sex possible. She says she is so addicted to me and never wants me to go. I try not to go, but I always try to come.

But evening does come around and I must go. I showered and dressed. She puts a robe on. Before I left, she said she wanted to meet once a week. We made arrangements. That is why I have always loved sex with an older woman. They know what they want.

We were in the clubhouse just as the golf pro came by to give us our new membership. We let him finish and then invited him to give us a quick putting lesson. small talk leads to big things

We live next door to a young couple and have become good friends with them over the months. Maddie is a little doll with good size boobies and a round little ass guys dream about. And if that weren't enough, she has the face of an angel with pouty lips and deep blue eyes. We live in a gated community inhabited mostly by married college students since it's only a few blocks from the university. At our pool parties I had the opportunity to admire her luscious assets. I had the feeling she enjoyed my flirtation because she flirted right back. One day she sat on my lap in her new bikini and feeling her ass on my legs got me to feeling a bit horny.

A few weeks later as I was studying at home, Maddie came to the door with sandwiches. She said she noticed my car in the carport and since her husband was not home, would I have lunch with her. I invited her in and we ate at the kitchen table and washed down our lunch with some red wine. She mentioned that her husband traveled a lot for business. I listened, but mostly I watched her walk over to the counter and back as she refilled her glass. Her short dress clung to that firm ass and her bare thighs looked great. As I looked closer, I

realized she didn't have on a bra, and I snuck quick peeks at the outline of her nipples. Of course, the more I peeked, the harder my cock became until I was embarrassed to stand up.

After some more small talk I was so horny from the wine that I decided I would try to make a move. I looked at her and said, "Thanks for the lunch, but I need to get back to work. And since you didn't bring dessert..."

I could tell from the look on her face that she knew exactly what I meant. She laughed and said, "Desserts are too fattening." "But the dessert I had in mind has no calories." I said. She laughed and said, "You naughty boy, You should go back to studying." I was ready to apologize, but she touched my lips to shush me and suddenly ran into the living room.

I quickly followed, not sure what she was up to. As I entered the room, I froze as I saw her untying her shoulder straps and letting her dress fall to the floor. I knew she wasn't wearing a bra, but as the dress fell, she wasn't even wearing panties. Her naked body was even better than I had imagined. She had full round breasts, perfect pink

I invited her in and we ate at the kitchen table and washed down our lunch with some red wine.

Not even undoing my belt, she jammed her hand down my pants and grabbed my throbbing cock. With her free hand she undid my zipper and pulled it out.

nipples, a flat tummy and, oh that fine little ass. “Do you still want that dessert?”

I practically flew across the room, stumbling over the ottoman, but caught myself just in time to straighten up and give her a kiss and began running my hands over her body. I could tell she was as hot as I was as she began pulling off my shirt. Not even undoing my belt, she jammed her hand down my pants and grabbed my throbbing cock. With her free hand she undid my zipper and pulled it out.

She stroked it a few times and kneeled in front of me stroking my cock and balls. She looked up at me with those angel eyes and asked if that felt good. I moaned something stupid, but she did not even bother to wait for my answer. Her mouth opened wide and she pulled my cock into it using my balls for leverage.

After a few blissful minutes I reluctantly pulled her off my cock and sat her down on the edge of the sofa. She leaned back, spread her legs and said, “Show me what you can do with that monster!” I bent down and guided my cock into her wet pussy and she arched back in heavenly moans as I penetrated the outer lips and thrust hard into her.

Her pussy was as soft as I imagined. Her husband must be away a lot or it could be that I was much

bigger than him. I reached under her and grabbed both butt cheeks and used them to pull her hard onto me as I pushed and pulled my cock into her pussy. We both were loving the feeling and the sound of our sweaty bodies slapping against each other.

She straddles my lap so that we’re facing each other. We start to kiss ferociously and groping body parts. She kisses my neck and bites it a little just to turn me on more. She begins to rotate her hips and grind her ass and pussy against my lap. I’m grabbing and squeezing her ass hard. I get up and lead her to the bedroom.

I push her on the bed and kiss down her belly as my hand begins to caress her mound making her so wet. I’m playing with her clit and know she wants me to devour her and take me all in. I slide the tip of my tongue up and down her pussy lips. I want her so bad. I spread her lips and flicks my tongue over her clit. Then I begins to rotate it and moving it in circles.

Her hips unconsciously begin to move. I reach two fingers deep inside of her hot wet pussy. Moving them in and out faster and faster. I licked my lips and knelt by her face. “You know what’s next?” I say and without any further conversation she inhales my cock completely. She took it deep into the back of her throat. I kept shoving it down

She could tell I was about to cum and she reached around my butt to grab my balls and give them a good squeeze. Well, that was too much for me

further. Thank god she had no gag reflex. I pulled out to fuck her pussy but she wanted to taste my cum running down her throat.

Once again I began to tease and finger fuck her pussy. I sensed she couldn't stand it anymore. She wanted me to fuck her. I position myself at her hole. Probing and teasing. I shove it in deep and begin to pound her pussy like never before. She said she hasn't had sex in over four months so it was pretty intense. I fucked her hard. I loved the feeling of my cock sliding in and out of her tight pussy.

I pushed her over onto her stomach and began to fuck her like a dog. "You like that? You like me fucking you doggy?" I whispered in her ear as he pulled her hair. That drove her almost to the edge. I smacked her ass until it turned red. I pulled out again and she started getting disappointed. But that's how I get them. I began eating her ass.

Rolling my tongue around her hole and then tongue fucking it. She started gripping the sheets and pushing back against my tongue. I smacked her ass once more before shoving my cock deep into her ass. My full length was buried inside of her. She clenched tight and began to push back letting me know that she wants it.

I took the invitation and began to smash her ass raw. She felt every

thrust like I was reaching for a goal. It was so deep and rough. I knew just how she liked it. When I pulled out, I thought she was finished. I was wrong. She laid on her back and I had her sit down backwards on my cock. Then I lifted her legs and began to hardcore smash my cock into her pussy. Her juices were flowing everywhere. I hit the spot every time I pushed in. I could feel my orgasm building deep inside me once more. I turned her over so she was on top and facing me. I kissed her deeply as she began to ride and grind on my meat.

So, I felt the big build up and began to pound her even harder. She could tell I was about to cum and she reached around my butt to grab my balls and give them a good squeeze. Well, that was too much for me and I shot a huge load deep into her wet pussy. Now it was her turn and she grinded her hips onto my cock. I grabbed each nipple and gave them a soft twist and squeeze as she came with a big grin on her face.

Basking in the afterglow, I told her I was hoping that this would happen again one day. She said she thought about it, too. Anxious, I asked when we could do it again. She looked around and then back at me. I looked down because I was starting to get embarrassed. Then, with a big smile, she said she'd have to check her husband's schedule – and let me know. I instantly got hard again.

The other day, I got quite a surprise. I was caught with one of my roomie's things.

She was quite surprised, but not upset. If it brought us a little closer together – then that's fine by me. I think I'll show her I can do better next time. Maybe next time we can share it together, but this time I took it as a lesson learned.

Just watch out!
